AN EVENT AIMED AT THE INDUSTRIAL APPLICATION OF DIGITAL TECHNOLOGIES

To showcase all of today's competitiveness keys, **BeDIGITAL** has designed a practical format that combines differentiated areas to facilitate practical product and service demonstrations, networking with business opportunities and knowledge transfer.

► Exhibition Area + Digital Talks + Startup Village + Innovation Workshops.

- A consolidated event: **BeDIGITAL** holds its 6th edition.
- As part of **BIEMH**, the largest Advanced Manufacturing meeting point in Spain, and one of the most important at the European and global level.

THINK BIG AND TAKE ADVANTAGE OF THE OPPORTUNITIES PROVIDED BY BIEMH

BeDIGITAL will be held parallel to **BIEMH**.

Thousands of professionals from the sector will attend this year's BIEMH and will take the opportunity to find solutions that will enable them to speed up production and make it more flexible, and to do so they need to implement digital processes and tools.

EXHIBITOR SECTORS:

YOU MAKE IT BIG
3-7 JUNE 2024

BIEMH 2024 KNOWLEDGE, TECHNOLOGY AND OPPORTUNITIES THAT LOOK AHEAD TO THE INDUSTRY'S FUTURE

With 31 successful previous events under its belt and a solid reputation worldwide, **BIEMH**, the leading international advanced manufacturing trade show, will bring together top-flight innovation, technology, knowledge and business in the Bilbao Exhibition Centre's six halls.

Large machinery in operation and internationality will be two of the main defining features of this year's **BIEMH**. In addition, **BIEMH 2024** will provide an extensive programme of content, including networking spaces and **BIEMH** Talks, with the aim of providing a leading platform on which to tackle challenges in the sector and take advantage of opportunities.

It will undoubtedly be a first-class setting for exploring the dimensions of Industry 4.0.
